Little Oaks Nursery

FEEE Policy

Under FEEE (Funded Early Educational Entitlement) up to 38 weeks per year can be offered with a registered provider. Little Oaks is an Independent Nursery located in the grounds of Howe Green House School and is open in line with the school term dates for 35 weeks per year. Therefore, you will not be able to claim the full 38 weeks at this setting. We do NOT offer the extended entitlement of 30 hours at this setting.

There are a limited number of funded only places offered on a first come, first served basis. In the first instance please speak to the Nursery Manager to discuss availability. If no places are available you can ask to be placed on the waiting list for a fully funded place. Please note the expectation is that fully funded places are offered to those who, for financial reasons, would otherwise be unable to access paid for sessions.

Funded places are available each afternoon from 12.45pm – 15.45pm and meet all the learning and development requirements under the Early Years Foundation Stage (EYFS).

Charges for additional goods and services - consumables

For those in receipt of funded hours (as opposed to funded only places) it should be noted that whilst the afternoon sessions are free of charge there will be a consumables charge of £24 per session applied which covers additional enrichment activities that are offered each term, although base fees charged will be capped so as not to exceed published fees for the sessions required. Many of the enrichment activities are delivered by qualified teachers and or specialist staff who teach across the whole school and include:

Language carousel

Cookery

Educational visitors into school

Woodland School

STEAM Curriculum

Library visits

Mindfulness sessions

Letters and sounds delivered by a qualified teacher
